RANGERS HISTORY

Ruardean Hill Rangers play their football on the highest point in the Forest of Dean, 920 feet above sea level. Founded in 1919, Ruardean Hill Rangers originally played in the historic Forest of Dean League, competing there until the league's dissolution in the late 1950s. The club then joined the North Gloucestershire League, where it has maintained a presence ever since.

Ruardean Hill achieved its first promotion to the Northern Senior League in the 1994–95 season, remaining competitive until a relegation in 2001. The team swiftly regained promotion the following year but faced another relegation in 2004. In a thrilling 2011–12 season, Ruardean Hill celebrated a last-day promotion back to the senior league, complemented by a place in the final of the Amateur Cup. The 2012–13 season marked a turning point, as the club secured back-to-back promotions and reached the Northern Senior League Division 1 for the first time. 'The Hill' solidified their position in Division 1 with top-eight finishes in the next three seasons, culminating in a landmark title win in 2016–17. That season, the club scored an astonishing 125 goals and conceded only 34 over 35 games, a testament to both their offensive and defensive strength.

Ruardean Hill's first team boasts a well-balanced mix of youth talent and seasoned experience from a core group of players who have been with the club for nearly a decade. This continuity has strengthened the team, now supported by two senior squads, providing a depth that has been crucial in driving recent successes.

The first team is currently in its ninth season in the Marcliff County League, having achieved a 5th place finishes in the 2018–2019 season. Now firmly established in the County League, Ruardean Hill are focused on improving on ninth position last season under the leadership of Bobby Walding and Luke Brown.

The reserve and A team compete in the North Gloucestershire Football League First and Third Division respectively.

To compliment the three adult teams, the Hill have an U13 boys team competing in the Cheltenham Youth League for season 2024–25

WAYNE'S WORLD

Wayne "Midge" Lewis

A very warm welcome to all attending the match this afternoon at the Recreation Ground, home of Ruardean Hill Rangers Football Club.

We would like to offer a special welcome to the players, management, and supporters of Filton Athletic for this Marcliff Gloucestershire County Football League fixture. We hope they enjoy their short stay with us and have a safe journey home.

Filton Athletic currently sit third in the league table with 43 points from 18 games. Their game last week resulted in a 4-0 victory at home against Cribbs Reserves. Their goals came from Keiron Cooper and Treydon Merrett (3).

In the Marcliff Gloucestershire County Football League, Hill currently sit 14th with 15 points from 18 games. Last Saturday's fixture at Sharpness was postponed due to a waterlogged pitch.

The Reserve team lost 3-0 at home to Yorkley to remain in a relegation position in North Glos Division One. The A team ran out 3-2 victors away at Harrow Hill B to remain in second place of Division 3 of the North Glos League. The A team goal scorers were Luke Johnson and Alex Stephens (2).

Today, the Reserves have no fixture, and the A Team are away at English Bicknor Reserves. Kick off at 2.30pm.

Last Sunday, Ruardean Hill Rangers Youth U14 were at home in the C&G U14 League Cup and ran out 3-2 winners against Montpellier Youth U14. The Hill goal scorers were Zach Gane, Arthur Mills and Otto Horlick. Congratulations to the U14's who play the final at Cheltenham Town's ground on Saturday 9th May. 3pm Kick Off. This Sunday, the U14's travel to play Winchcombe Town Youth U14. 2pm kick off.

Next Saturday, the first team are home versus Stoke Gifford SGS United. 3pm kick off. The Reserve Team, A Team and the U14's have no fixture next weekend.

Off the field, we continue to seek opportunities to improve the football club at all levels. The club is run by volunteers and is self-funded. We are constantly looking for helpers and ways in which we can improve our income. If anyone can assist, please contact one of the club officers listed in the programme.

Finally, on behalf of everyone at the Hill, I hope you enjoy today's game, and we would like to thank everyone for their continued support.

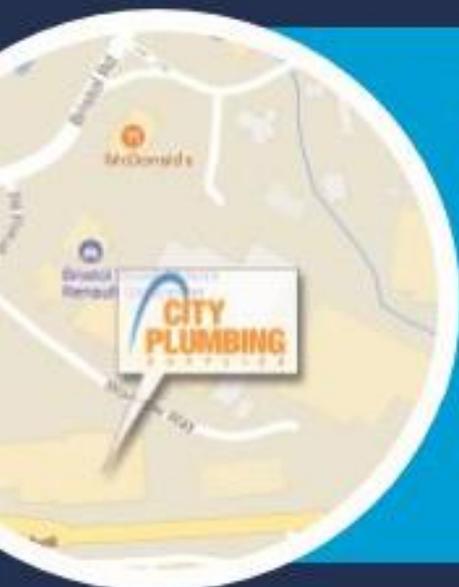

We look forward to seeing you again next week.

Thanks Midge

WELCOME FILTON ATHLETIC

Tom Bradley – Goalkeeper

Tower joined us last season after two extremely successful seasons with Avonmouth, bringing experience at both Gloucester County League and Weston League levels. A huge presence on and off the pitch, match winner but a pathetic drinker.

Jack Cole (Captain) – Defender

Rolls Royce. Quick, aggressive, physical, fit, long range passing and a leader. Transitioned from Midfield last season and has been a revelation. Loves a moan.

Jack Willmor (vice-captain) – Defender

Cafu of the County league. Defending 1 on 1, can't remember any winger going past him. Loves an overlap but wingers tend to look the other way because of his crossing. Close to GOTS last year with a wordie volley.

Chris Hillyer – Defender

New bloke not so new. The modern day centre half. Great on the ball, quick, strong, technically brilliant, free kick specialist and missis is fit.

Joe Mitchell – Defender

Mr consistent. Technically gifted with both feet. Can defend and attack. Brilliant attitude but unfortunately supports Villa.

Kieran Daniels – Defender/Midfielder

Another leftie. Football IQ outstanding, can play LB, CB, CM, LW. Strong, quick and outstanding delivery out wide. Now loved up with new bird.

Tom Fry – Defender

Should be playing 2 leagues higher but unfortunately for his sins he works in the public sector. Played for Mangotsfield with the gaffer many years ago, outstanding attitude, can do pretty much anything on the football pitch. Clas act.

Dan Matthews – Defender/Midfielder

Every opponents nightmare. Will not stop running, tough, strong, technically excellent. Can play all positions and loves a 50/50. Live wire on the pitch and just as mad off it.

Callum Mitchell – Midfielder

Dynamic Midfield presence. Ball winner, loves a tackle and never backs down when it gets tough. Loves popping up with important goals, but unfortunately supports Villa like his brother.

Fraser Venables – Midfielder

Left foot wand and his right foot is just as good. Creativity, vision and awareness off the charts just unfortunate he can't replicate on a night out. Can play in the 10 or either wing. Loves as assist as much as a goal.

Charlie Peacock – Midfielder

Coming from the reserves last year, Char has been a breath of fresh air. Seriously talented Midfielder who can play anywhere. Not a great roomie on tour though.

Liam Dorman – Midfielder

The Rat. Will not let opponents breath. Committed, explosive and thrives in a 50/50. Technically very good and loves a wordie. Important leader on and off the pitch.

Dylan Quick – Midfielder

New signing from our friends at DRG. Fits in perfect to the way we want to play this season, aggressive, quick, technically gifted, box to box midfielder. Pleased to get the 'banning of the three brooks on a Friday night' signed into the contract.

Matt Tovey – Midfield

New summer signing. Matt is recovering from a long knee injury. When fit 'Tovey' will be a serious player in the league. Both footed, amazing in the air and loves a challenge. Baller and the longest in the showers.

Yusuf Abdulrahman – Midfielder

Box to box midfielder. Doesn't stop running from minute one, robotic like. Has all the attributes to be a top player when he manages to turn up on time.

Fabian Pereira – Forward

Skilful attacking player who can operate from both flanks. Technically very good and always makes an impact on the game.

Kieran Cooper – Forward

Big number 9. Aerial presence, back to goal, work rate, loves pinning defenders and is any opponents nightmare. Can be as loud on the pitch as off it. Great character to have in any team.

Said Hassan – Forward

Quick, skilful, agile and loves taking on defenders. Can play down both wings and as an attacking full back. Guaranteed at least 20 nutmegs this season.

Dan Payne – Forward

Another Summer Signing and another left footed wizard. 'Payner' has played leagues above in the past but unfortunately suffered a bad knee injury. Now fit and ready to go. Unfortunately can just about hack 4 Stella's.

Trey Merrett – Forward

Goals, Goals, Goals. Direct, blistering pace and can shoot off his left and right. Can play down either wing or as a striker and will score. The best player to ever come out of Lawrence Weston.
