Hatched from

A Small Shrub Frog begins to talk.

A yellow frog with large blue eyes is perched on top of a large, textured brown mushroom. The background is a dark forest at night, with blue and green foliage and a starry sky. A large white speech bubble is positioned above the frog, and a smaller one is in the bottom left corner.

In that case, your feet won't do.

Let me give my wings to you.

**og. I'm

The owl flies on without a stumble,
When suddenly they hear a...

KUMIDLE

**What could
that be?**

**That sound
I heard was
not so funny.**

**I'm a hungry
bird you see,**

**the sound you
heard came from my
tummy!**

An owl with large eyes and brown feathers is flying in the night sky. A dashed white line shows its path as it moves from the top right towards the center. Below the owl, a yellow frog is jumping or falling. The background is a colorful night sky with stars and a gradient from purple to orange. In the foreground, there are green rolling hills and dark, stylized trees.

Thank you, Owl.
Though I'd love
to stay,

I won't be your
lunch today.

Down below,
he sees a bog.

See you later!

Leaps

From that

In the water
is a Cherry

munching on a

Curiously, the fish swims near.

Aren't you far from shore?

**Indeed I am,
I am going to explore!**

The way up

**looks quite
hard to swim,**

**May I ride
atop your
fin?**

**Of course, as
it's no bother
to me,**

**I will help you
out, you see!**

The two arrive on land.
Frog hops onto the sand.

Our journey

here.

Thank you,
it's been quite
the cheer!

Frog leaps from one
leaf to another.

Do you have somewhere to go?

**Though I'm far from home,
I am going to explore!**

The way ahead
seems like scary
land,

may I ask you for
a helping hand?

**Little frog,
I'd offer
assistance.**

**But to protect my
eggs I can't travel
the distance.**

A yellow frog is shown in a forest setting, hopping from a leaf to another. The frog is yellow with a brown stripe on its back and a blue eye. It is positioned in the lower right quadrant of the image. The background features large green leaves on the left and brown tree trunks with concentric rings on the right. A white speech bubble is attached to the frog, containing the text "That's alright!". Above the frog, the text "Frog smiles politely." is written. Below the frog, the text "Leaf to leaf, she hops off quickly." is written. A white dashed line indicates the path of the frog's hop from a leaf on the left towards the frog.

Frog smiles politely.

That's alright!

Leaf to leaf,
she hops off
quickly.

Through the trees, the
small frog crawls.

She hops slower
as night falls.

The tired frog
sits down to think.

To the forest floor
she wants to sink.

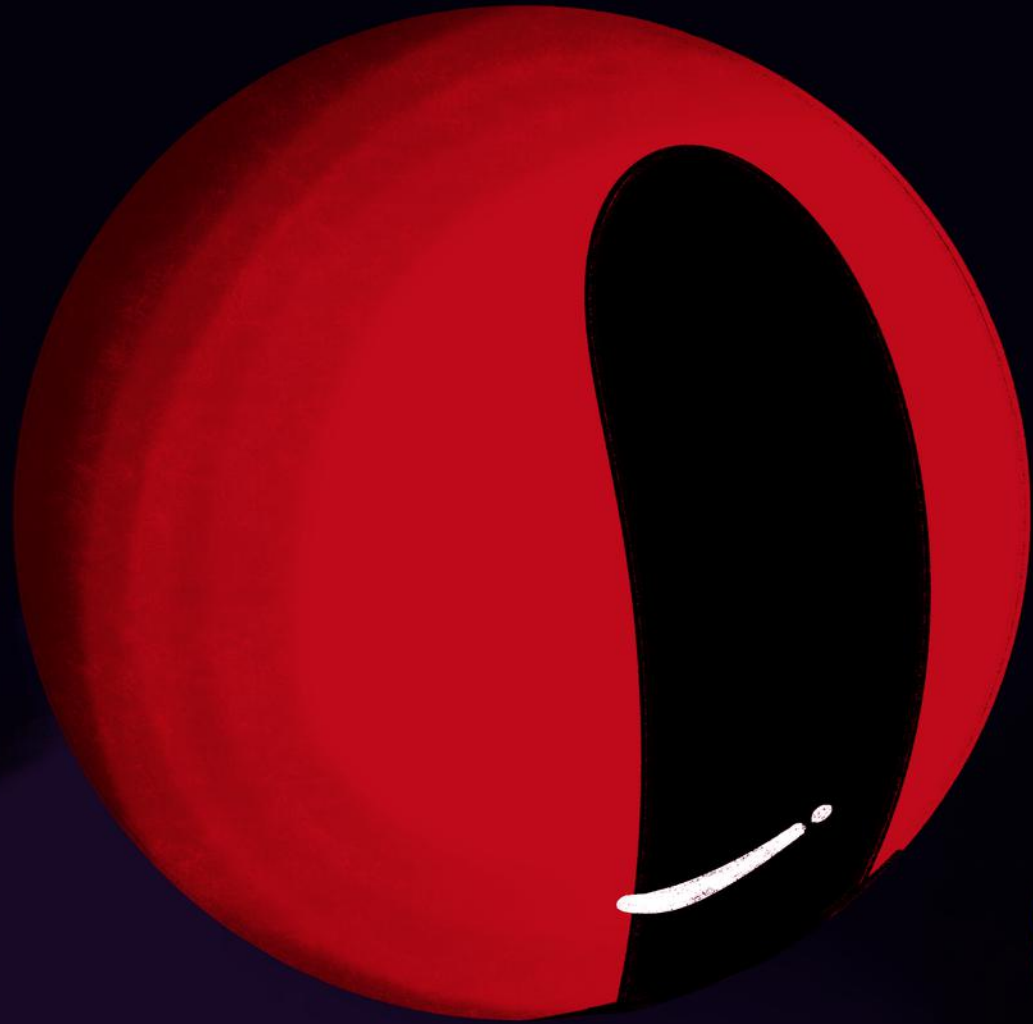

**I can feel my legs
begin to sore,**

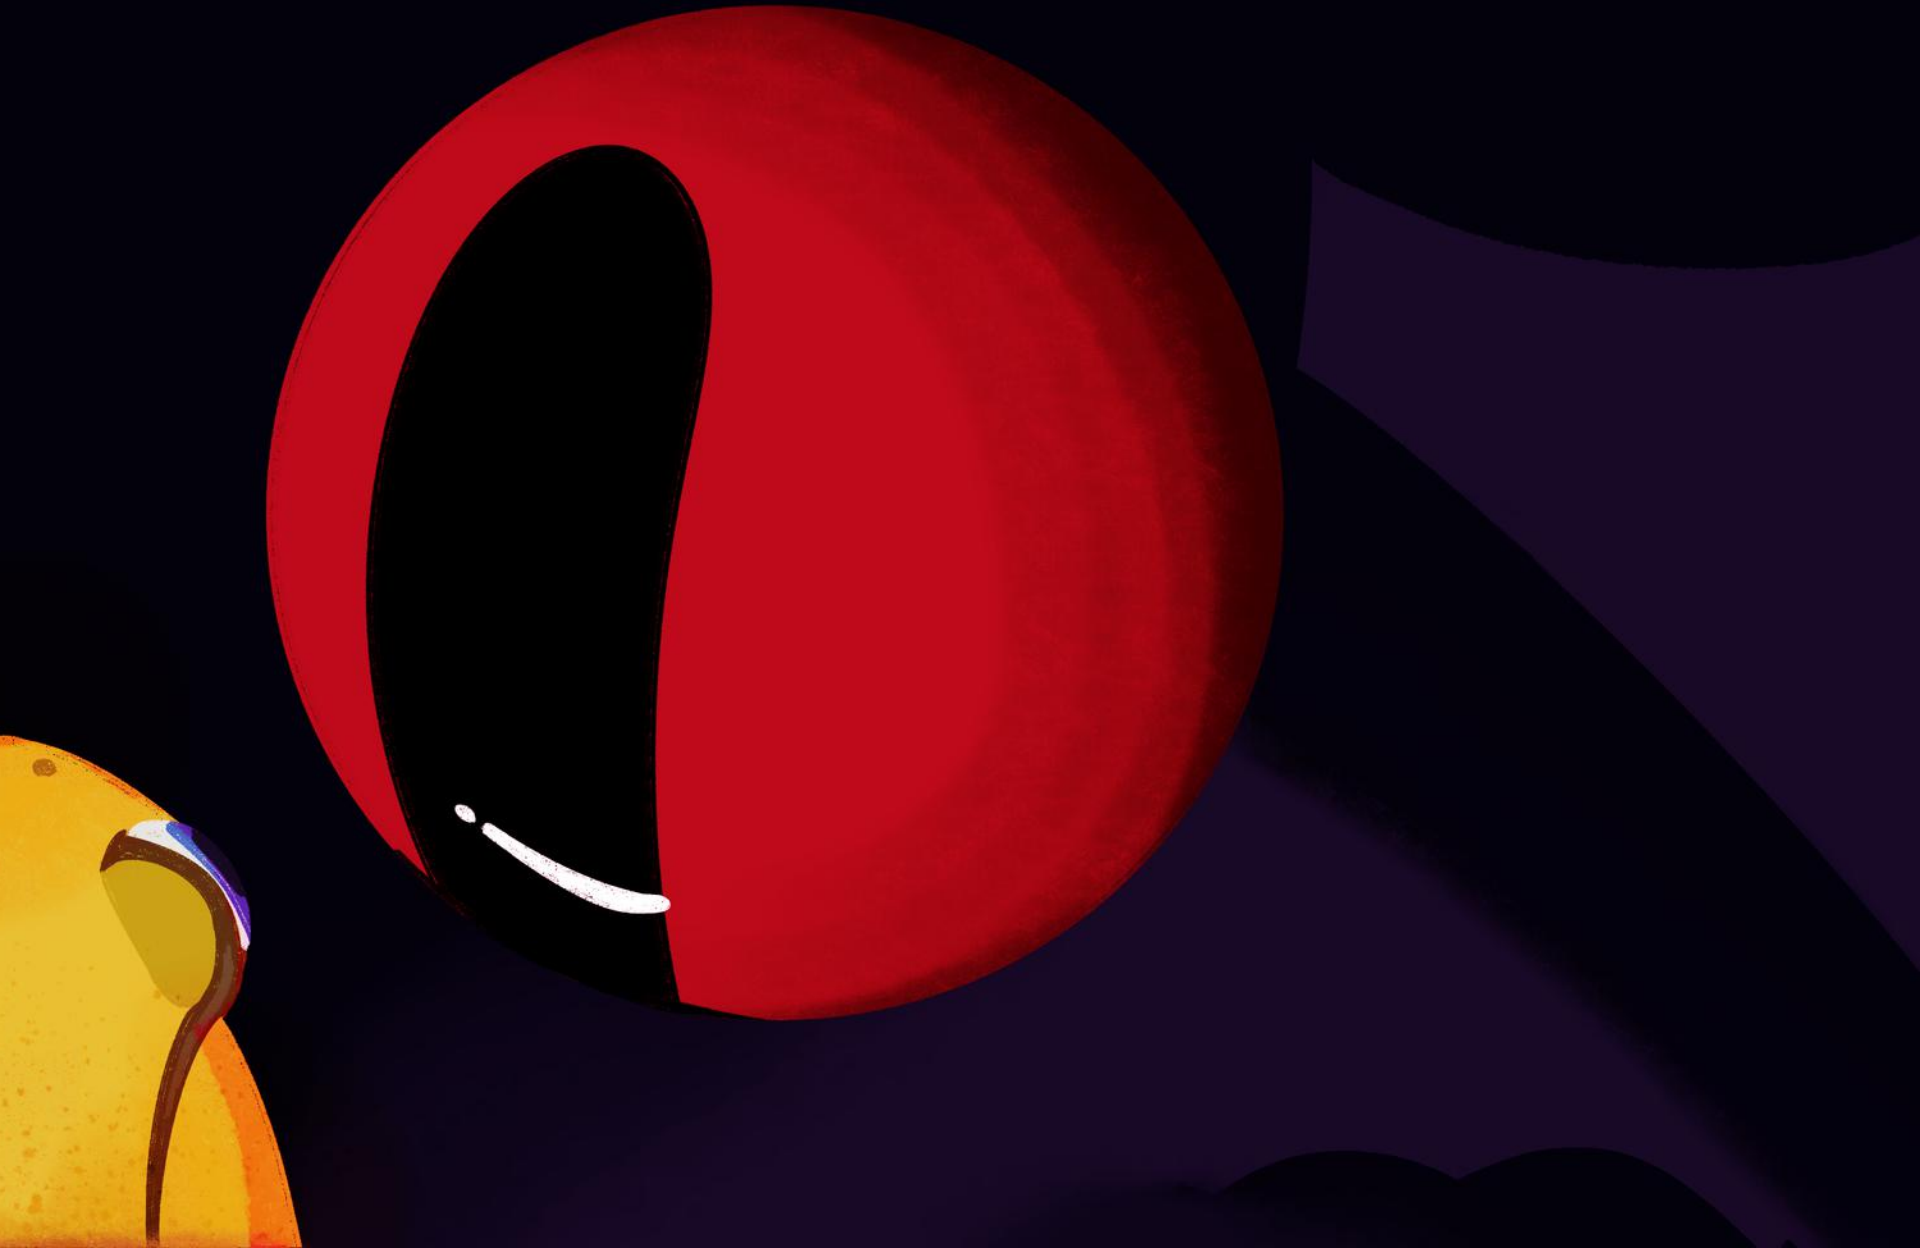

**Now that
I've gone to
explore.**

Hearing her words,

tw

o large eyes appear.

A Loris speaks kindly.

**Would you like some help,
my dear?**

**Yes please.
I'm much too tired
to roam.**

**I would like to find my
home.**

Loris lifts her with
great care.

I will gladly take
you there.

Back at home, as Loris leaves, he waves at Frog.

Goodbye!

I've had much
fun with you,
thank you!

Frog replies.

From the bushes there
comes a...

R u s t t t l l e e

Frog turns around to
see the bustle.

Out of the shrubs jumps
a Horned Frog.

He seems to be
out for a jog.

The Horned Frog sees the Small Frog.

**I am going
exploring now!**

**If you'd like,
I'll teach you how.**
